Leakage of hydrofluoric acid

A tank with hydrofluoric acid has leaked in the Outokumpu area.

Preschool Violin will be closed tomorrow on Friday, April 28th. Information is sent directly to the parents concerned. Preschool manager Sara Bergström is available at tel. 0708-645073

People living in the immediate area are advised to keep windows, doors and ventilation closed.

For questions from companies in the risk area, please contact the police by phone number 114 14.

If you need to contact the municipality, the Avesta Service Center will keep telephone and email open until midnight. Servicecenter@avesta.se or tel. 0226-645000

At 14.00, rescue staff went in and began to stop the leak.

The decontamination will be in process evening and night 27-28th of April.
